PRIME AIRCRAFT
Jet & Turboprop Sales & Acquisitions

2020 Citation CJ3+
Registration: N614VM; SN: 525B-0614

Beautiful Citation CJ3+ based in Little Rock, Arkansas with 4.8.9 software and hardware upgrades, Pro Parts, engines on TAP Blue, ATG 5000 Wifi, always US based. 10 seats total and has a removable side-facing forward belted seat that you can replace with an additional galley cabinet (comes with the aircraft).

Key Aspects and Benefits of the 4.8.9 Software Upgrade Include:

- **Avionics Modernization:** The update moved the flight deck to a more current and capable system compared to the original Pro Line 21 I early CJ3 models, improving the overall flying experience with faster hardware and updated software.
- **Enhanced Situational Awareness:** The software includes high-resolution synthetic vision, advanced weather radar with turbulence detection, and enhanced ground proximity warning systems (TAWS).
- **Connectivity:** The upgrade enhances connectivity, including options for high-speed internet capability, a wireless media server, and automatic database updates via the GDL 60 Datalink.
- **Compliance:** It ensures compliance with modern airspace mandates like ADS-B (Automatic Dependent Surveillance-Broadcast) Out and LPV (Localizer Performance with Vertical Guidance) approaches, which increase access to more airports.
